A Vegetable Product,
Only used in Aven's Accus Cum, has
proven itself a never failing and rapid
cure for every form of Malarial Disorder, Fever and Arms, or Chillis and
fever. No injury follows its use, and
its effects are permanent. It rouses
the system to a condition of vigorous
health, cleanses the blood of malarial
poison, and imparts a feeling of comfort and security most desirable in
Arme districts. It is an excellent tonic
and preventative, as well as cure, of
all complaints peculiar to malarious,
marshy and miasmatic regions. The
great superiority of Aven's Agus Cum
over any other compound is that it
contains no Quinine, Arsenic, or mincrait consequently it produces no
quinism or injurious effects whatever
upon the constitution. Those cured
by it are left as healthy as if they had
never had the disease.
